

The first **SCA\* LOGIN** enabler  
for **ALL** platforms ...

### Standard SCA authentication process:

### The fast mobuy SCA LOGIN process:

... and **ALL** devices.

- Don't care about app development
  - Don't care about an SMS gateway
  - Don't care about the reception security
- Better take care of your business.

**mobuy** takes care about the easy access to your customer platforms.

\* SCA = Strong Customer Authentication (PSD2)
